

# UGLIES, PRETTIES, SPECIALS

Project done by VDU Ugnės Karvelis gymnasium

Funded by the  
Erasmus+ Programme  
of the European Union

# The projects

- In all the projects you can see a map from above. This is how I imagine the area, where the story takes place.
- In the projects you can see the forest and the river that separate the city where Tally lives and the city called Smokes.
- I used moss to represent the forest and pencils to represent the river and the sea. I used paint to show both cities.

# „Uglies“

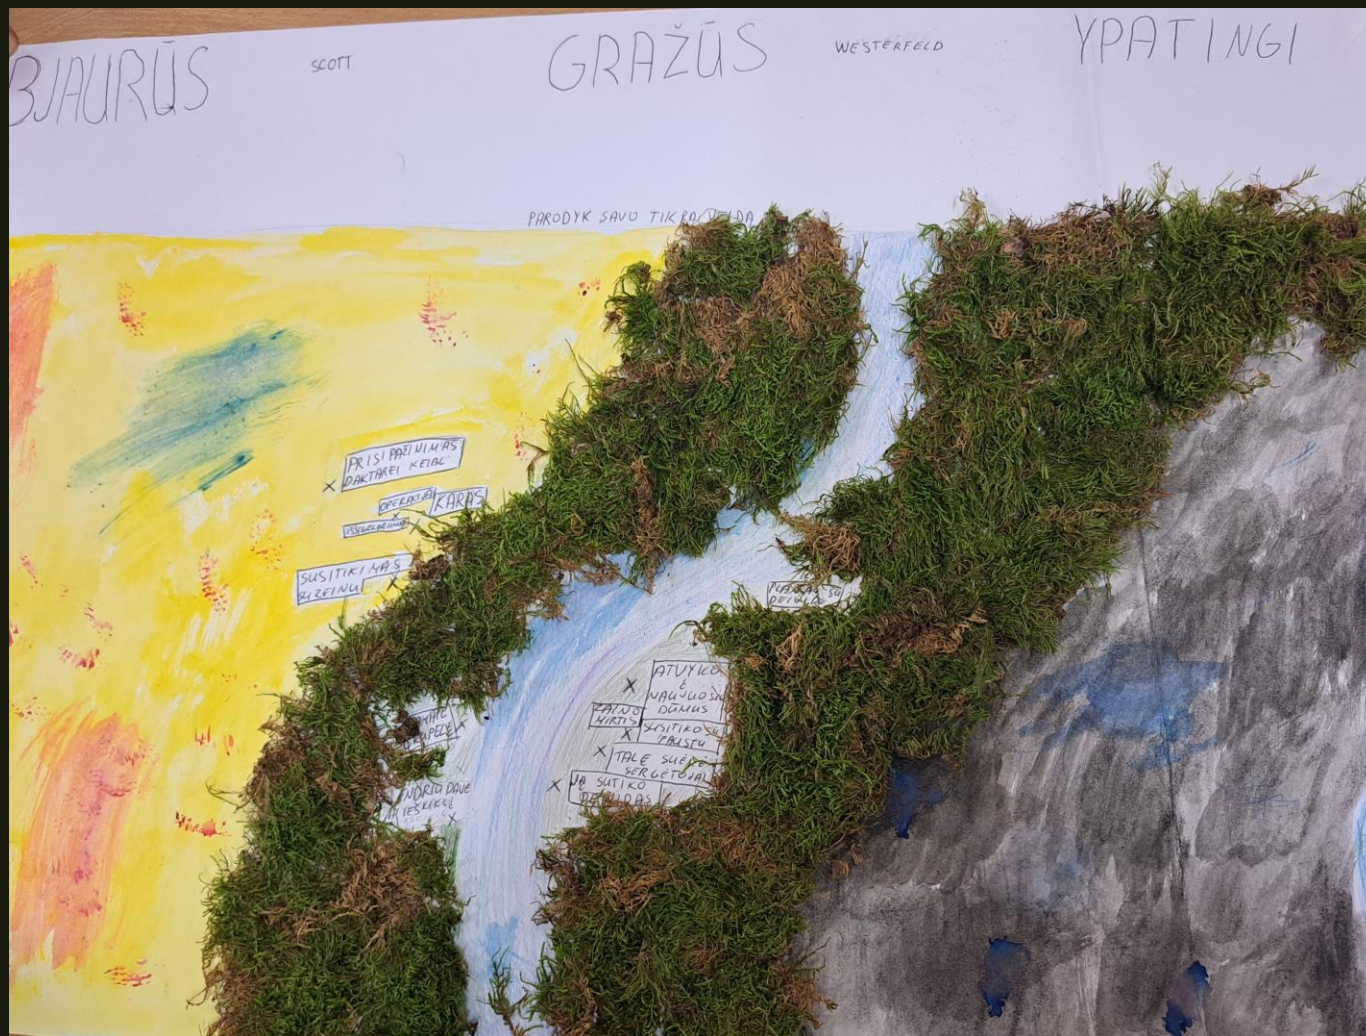

- In this project, you can see where Tally traveled, what happened during her adventure.
- You can see where she said goodbye to her friend, where the fire happened, where she met the friend she was looking for.

## „Pretties“

- In this project, you can see her trip to the Smokes.
- You can see where the Ball took place, where the hot air balloon was. Also you can see what happened after she landed. In the Smokes, you can see where she met David and her other friends.

## „Specials“

- In this project, you can see what happened during her trip back to the land of Pretties.
- You can see where she was found, where she talked to doctor Cable and where the war happened.
